During the year of 2020, There was 0 Sexual Abuse or Sexual Harassment Allegations Received.

(insert dates of allegations)

(Insert Referrals, Investigations and Findings)

During the previous year of - 2019, there was 0 Sexual Abuse or Sexual Harassment Allegations Received.

During the Investigation, the incident review team discovered 0 problem areas in the facility that lead to the allegations. These areas include: There was no review team due to 0 allegations received with in our facility.

Physical barriers in the problem areas of the facility found and need corrective action: N/A

Monitoring technology that needs corrective action: Large security camera screen burned out, all office computers continued to have access to security cameras. Camera in G-wing is gray and blurry.

Intake procedures that need corrective action:

Staffing Plan that needs corrective action: DCJDC has been continuously trying to hire and maintain staff to have 2 staff on shift during waking hours. Due to staff leaving, we have been working off of the current Staffing Plan, of single staff.

Policies and Procedures that need corrective action: All Policies and Procedures need an update to incorporate current state and PREA standards.

Corrective Actions taken, if none-why not? Security camera large screen was replaced on 09/22/2020, G-Wing Camera replaced on 09/28/2020.

Assessment of the facilities progress in addressing sexual abuse, including Policy, Procedure, Practice, Education, Forms and Culture: Due to the PREA Audit being placed on hold, the facility is utilizing this time to update, train and find new educational opportunities for staff and juveniles.
